Taking into account the advisory opinion rendered on 9 July 2004 by the International Court of Justice on the *Legal Consequences of the Construction of a Wall in the Occupied Palestinian Territory*,[5] and recalling in this regard General Assembly resolution ES-10/15 of 20 July 2004,

Convinced that occupation itself represents a gross and grave violation of human rights,

Gravely concerned about the continuing detrimental impact of the events that have taken place since 28 September 2000, including the excessive use of force by the Israeli occupying forces against Palestinian civilians, resulting in thousands of deaths and injuries, the widespread destruction of property and vital infrastructure, the internal displacement of civilians, the imposition of collective punishment measures, particularly against the civilian population in the Gaza Strip, and the detention and imprisonment of thousands of Palestinians,

Gravely concerned in particular by reports regarding serious human rights violations and grave breaches of international humanitarian law committed during the military operations in the Gaza Strip between December 2008 and January 2009, including the findings in the summary by the Secretary-General of the report of the Board of Inquiry[6] and in the report of the United Nations Fact-Finding Mission on the Gaza Conflict,[7] and stressing the necessity for serious follow-up by all parties of the recommendations addressed to them towards ensuring accountability and justice,

Having considered the report of the Special Committee to Investigate Israeli Practices Affecting the Human Rights of the Palestinian People and Other Arabs of the Occupied Territories[8] and the relevant reports of the Secretary-General,[9]

Recalling the Declaration of Principles on Interim Self-Government Arrangements of 13 September 1993[10] and the subsequent implementation agreements between the Palestinian and Israeli sides,

Stressing the urgency of bringing a complete end to the Israeli occupation that began in 1967 and thus an end to the violation of the human rights of the Palestinian people, and recalling in this regard its resolution 58/292 of 6 May 2004,

1. *Commends* the Special Committee to Investigate Israeli Practices Affecting the Human Rights of the Palestinian People and Other Arabs of the Occupied Territories for its efforts in performing the tasks assigned to it by the General Assembly and for its impartiality;

2. *Reiterates its demand* that Israel, the occupying Power, cooperate, in accordance with its obligations as a State Member of the United Nations, with the Special Committee in implementing its mandate;

3. *Deplores* those policies and practices of Israel that violate the human rights of the Palestinian people and other Arabs of the occupied territories, as reflected in the report of the Special Committee covering the reporting period;[8]

4. *Expresses grave concern* about the critical situation in the Occupied Palestinian Territory, including East Jerusalem, particularly in the Gaza Strip, as a result of unlawful Israeli practices and measures, and especially condemns and calls for the immediate cessation of all illegal Israeli settlement activities and the construction of the wall, as well as the excessive and indiscriminate use of force against the civilian population, the destruction and confiscation of properties, measures of collective punishment, and the detention and imprisonment of thousands of civilians;

5. *Requests* the Special Committee, pending complete termination of the Israeli occupation, to continue to investigate Israeli policies and practices in the Occupied Palestinian Territory, including East Jerusalem, and other Arab territories occupied by Israel since 1967, especially Israeli violations of the Geneva Convention relative to the Protection of Civilian Persons in Time of War of 12 August 1949,[1] and to consult, as appropriate, with the International Committee of the Red Cross according to its regulations in order to ensure that the welfare and human rights of the peoples of the occupied territories are safeguarded and to report to the Secretary-General as soon as possible and whenever the need arises thereafter;

6. *Also requests* the Special Committee to submit regularly to the Secretary-General periodic reports on the current situation in the Occupied Palestinian Territory, including East Jerusalem;

7. *Further requests* the Special Committee to continue to investigate the treatment of the thousands of prisoners and detainees in the Occupied Palestinian Territory, including East Jerusalem, and other Arab territories occupied by Israel since 1967;

8. *Requests* the Secretary-General:

(a) To provide the Special Committee with all necessary facilities, including those required for its visits to the occupied territories, so that it may investigate the Israeli policies and practices referred to in the present resolution;

(b) To continue to make available such staff as may be necessary to assist the Special Committee in the performance of its tasks;

(c) To circulate regularly to Member States the periodic reports mentioned in paragraph 6 above;

(e) To report to the General Assembly at its sixty-fifth session on the tasks entrusted to him in the present resolution;

9. *Decides* to include in the provisional agenda of its sixty-fifth session the item entitled "Report of the Special Committee to Investigate Israeli Practices Affecting the Human Rights of the Palestinian People and Other Arabs of the Occupied Territories".
